

## NYEXIT™

## New York City Approved Exit Sign

The NYEXIT™ is a New York City approved exit fixture. The unit is illuminated with LEDs on a red 8" (inch) lettered stencil. The body is comprised of a 20-gauge steel housing, aluminum mounting canopy and universal knockout patterns. This exit sign is rated for damp locations and can be mounted on the top, end, or back. Conduit entry is also available on the top and side. A white or black powder coat finish is available.
